Section 1 Definition

The purpose of this procedure is to provide an orderly procedure for the prompt resolution of a claimed grievance at the lowest possible level.

A grievance is defined as a timely filed claim by an employee covered by this Agreement which alleges that there has been a violation of a specific provision of this Agreement by the City.

A grievance shall be in writing and shall set forth the issue involved, the relief sought, the date the incident or violation took place, if known, and the specific section or sections of the Agreement involved. The grievance shall include the name of the employee/group of employees authorizing the filing of the grievance. The grievance shall be presented to the designated supervisor (on forms furnished by the Union) and signed and dated by the Union. An aggrieved Employee shall have the right to a Union Representative appointed by the Union, at the request of the aggrieved Employee.

Any bargaining unit employee shall have the right to meet and adjust his/her individual complaint with the Employer.

The arbitration provisions of this Agreement may only be invoked with the approval of the employee organization and in the case of an employee's grievance only with the approval of the public employee.

All grievances must be presented promptly and no later than seven (7) calendar days from the date the grievant first became aware of, or should have become aware of with the exercise of reasonable diligence, the cause of such grievance; however, under no circumstances shall a grievance be considered timely after thirty (30) calendar days from the date of occurrence.

Section 2 Grievance Procedure (Steps)

Should an employee have a grievance, it shall be processed in the following manner:

STEP 1

An employee or Union Representative who claims a grievance shall present such written grievance, to the Police Chief or his/her designated representative, within seven (7) calendar days after the receipt of knowledge of the alleged violation upon which the grievance is based. Within seven (7) calendar days of receipt of the written grievance from the employee or their Union representative, the Police Chief or his/her designated representative, shall schedule a meeting with the employee, Union Representative present at the request of the employee, and attempt to resolve the grievance. A written answer will be placed on the grievance following the meeting by the Police Chief or his/her designated representative, and returned to the employee and their union representative within seven (7) calendar days from receipt of the written grievance submitted to the Police Chief or his/her designated representative.

STEP 2

If the grievance is not settled in Step 1 it may be appealed by the employee or their Union Representative within seven (7) calendar days from receipt of the answer in Step 1, to the City Administrator. The City Administrator or his/her designated representative shall meet with the employee, Union Representative present at the request of the employee, and attempt to resolve the grievance. A written answer will be placed on the grievance following the meeting by the City Administrator or his/her designated representative and returned to the employee and their Union Representative within ten (10) calendar days from receipt of the appeal by the City Administrator or his/her designated representative.

STEP 3

If dissatisfied with the City Administrator's answer in Step 2, to be considered further, the grievance must be appealed by regular U.S. mail, local mail, or hand-delivered to the City Council within ten (10) calendar days from receipt of the answer in Step 2. The City Council will meet with the employee and the appropriate Union representative to discuss and attempt to resolve the grievance, with said meeting taking place within thirty-one (31) calendar days from receipt of the appeal by the City Council. Following this meeting, the written decision of the City Council will be placed on the grievance form and returned to the employee and their Union Representative within ten (10) calendar days after said meeting. The meeting may be held in closed session pursuant to the requirements set forth in Chapter 21 of the Code of Iowa (1989, as amended).

STEP 4

If the grievance is not settled in Step 3 it may be appealed to arbitration by either the Union or the City, by giving written notice of a request for arbitration, submitted to the other party within fifteen (15) calendar days from the date of postmark of the City's Step 3 answer. Third step answers shall be sent by regular U.S. mail or hand-delivered. If an unresolved grievance is not appealed to arbitration, it shall be considered terminated on the basis of the third step answer of the City without prejudice or precedent in the resolution of future grievances. The issue as stated in the third step shall constitute the sole and entire subject matter to be heard by the arbitrator, unless the parties mutually agree to modify the scope of the hearing. When a timely request has been made for arbitration, a representative of the City and a representative of the Union shall select a mutually agreeable arbitrator to hear and determine the grievance. If the representatives of the parties are unable to agree upon the selection of an arbitrator within ten (10) calendar days of the City's receipt of the arbitration notice, the parties or party, acting jointly or separately, shall request the Federal Mediation and Conciliation Service to submit a list of five (5) arbitrators. If the list submitted by the Federal Mediation and Conciliation Service is unacceptable to either party, within ten (10) days of receiving the list, the parties shall request a second list of arbitrators from the Federal Mediation and Conciliation Service. Within ten (10) of receiving the list, the parties' designated representatives shall determine by a coin toss the order of elimination and thereafter each shall, in that order, alternately strike a name from the list, and the fifth and remaining person shall act as arbitrator.

Where two (2) or more grievances are appealed to arbitration, an effort will be made by the parties to agree upon the grievances to be heard by any one arbitrator. On the grievances where agreement is not reached, a separate arbitrator shall be appointed for each grievance.

The City and the Union will share equally any joint cost of the arbitrator, including hearing room and fees and expenses of the arbitrator. However the expense of a court recorder and the costs of any transcripts will be borne by the requesting party without having to furnish a copy to the other party unless the parties mutually agree to share the entire cost. Any other expense shall be paid by the party incurring them. Except as provided in this Agreement, each of the parties shall bear the cost of their own witnesses, including any lost wages that may be incurred by their witnesses.

All grievances at Steps 1, 2 and 3 shall be presented, discussed and processed during employee's non-working time, unless otherwise agreed to in writing by both parties.

The arbitrator shall only have authority to determine the compliance with the provisions of this Agreement. The arbitrator shall not have jurisdiction or authority to add to, amend, modify, nullify, or ignore in any way the provisions of this Agreement. The Arbitrator shall not make any decisions contrary to or inconsistent with or modifying in any way, the applicable laws, rules and regulations having the force and effect of law.

The decision of the arbitrator shall be final and binding on both parties of this Agreement provided such decision does not exceed the arbitrator's jurisdiction or authority as set forth above, unless the Arbitrator's decision is reversed, overruled or modified by a Court of Law.

Section 3 Time Limits

The time limits specified in this Article shall be strictly observed. If a grievance is not presented or processed within the time limits set forth herein, it shall be considered waived and the employees shall be barred from further pursuit of the grievance. If a grievance is not appealed to the next step within the specific time limit, it shall be considered settled on the basis of the City's last answer and the grievant shall be barred from further pursuit of the grievance. The failure of the City's representative to answer a grievance or an appeal within the specified time limit shall be deemed a denial of the grievance at that step and the grievance shall be automatically appealed to the next step of the grievance procedure. These time limits may be extended only by mutual written agreement.

In the event the U.S. mail is used, the mailing of the grievance or response thereto shall be considered timely if postmarked within the time limits.

Section 4 Retroactivity

Settlement of grievance may or may not be retroactive as the equities of particular cases may demand. In any case, where it is determined that the award should be applied retroactively, the maximum period of retroactivity of the award allowed for the particular grievance shall be a date not earlier than one (1) year prior to the date of initiation of the written grievance in Step 1. This section does not lengthen the time within which an employee can file a grievance.

Section 5 Exclusive Procedure

The grievance procedure set out above shall be exclusive and shall replace any other grievance procedure for adjustment of any disputes arising from the application and interpretation of this Agreement.

Section 6 Grievance Representatives

For informational purposes only, the Union shall provide the City Administrator with a written list setting forth the names, addresses and telephone numbers of grievance representatives.

Section 7 Representation

All grievances shall be presented, discussed and processed during the grievant's non-working time, unless the Employer and the Union mutually agree to hold the grievance meeting during work time.

Section 8 Processing Grievances

For purposes of investigating pending grievances a duly authorized representative of the Union may have access to City premises with supervision's prior consent. The City will cooperate to facilitate such visitations, and the Union will not interfere with or interrupt the City's operations or the work of its employees.

Section 9 Exclusion of Probationary Employees

Notwithstanding any other provision(s) of this Agreement, the release or termination of probationary employees shall not be subject to the grievance procedure.

Section 10

If any claim or complaint is filed in any form other than under the grievance procedure of this Agreement, then the City shall not be required to process the same or similar claim or set of facts through the Grievance Procedure.

ARTICLE V SENIORITY

Section 1 Definition

Seniority means a regular employee's length of continuous service with the Employer since his/her last date hire. Upon completion of the probationary period, they shall be put on the seniority list and their seniority shall be determined from their date of employment.

Section 2 Seniority Lists

The seniority records for employees shall be maintained by the City and shall be available to the Union upon reasonable request. There shall be a separate seniority list for regular full-time employees and a separate seniority list for regular part-time employees. The Employer shall maintain a list of employees who were laid off.

- A. Laid off employees shall advise the City of their current address and telephone number during layoff. Failure to accept a position when offered by certified mail within fourteen (14) calendar days after notice of recall shall negate any further recall rights.

If either schedule is to be permanently changed the City shall provide employees with at least fourteen (14) calendar days notice before the effective date of the change. All changes in the schedule shall be at the sole discretion of the City. Schedule changes within the work-week shall not be made to eliminate or avoid overtime payment.

During the term of this Agreement, the City will also continue its current practice of providing police officers with a thirty (30) minute meal period taken during their shift, subject to recall during that meal period. Communications officers shall also be allowed a thirty (30) minute meal period taken during their shift, which will be taken when time permits, subject to recall during that meal period. Communications officers will remain within the main lobby or the officer's room within the Law Enforcement Center during their meal period and shall remain on call during their meal period.

It is also understood and agreed that the City shall have the right in its determination of the daily and weekly work schedules to reduce, according to Seniority, extend or maintain the hours of work for any employee, and employees shall be required to work as scheduled by the City; provided, however, that employees will be given reasonable notice of any change. In the event of a violation or threatened violation of above Section 2, the Union agrees that it will take immediate affirmative steps with the persons involved (such as public announcements, letters, bulletins, telegrams, and meetings) to bring about an immediate cessation of such violation and an immediate resumption of normal operations.

Section 4

The City has the right to take any other action pursuant to Section 20.12 of the Code of Iowa (1989, as amended), and nothing in this Article shall be construed as a restriction or limitation on the City's right to do so.

ARTICLE XIII
GENERAL PROVISIONS

Section 1

This Agreement represents the entire agreement of the parties and shall supersede all previous agreements, written or verbal. The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that all of the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement and any extension, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subjects or matters referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

Section 2 Savings Clause

In the event any Article, section or portion of this Agreement should be held invalid and unenforceable by operation of law or by any tribunal of competent jurisdiction, such decision shall apply only to the specific Article, section or portion thereof specifically specified in the decision; and upon issuance of such a decision, the Employer and the Union agree to immediately negotiate a substitute for the invalidated Article, section or portion thereof.

In the event the parties fail to agree on provisions for substitute in fifteen (15) days following the start of negotiations, the parties shall request a list of five (5) arbitrators from the Iowa Public Employment Relations Board. The first strike shall be decided by a coin toss and the parties shall alternately strike until there is one name remaining who shall become the arbitrator. Either party may request a second list of arbitrators from the Public Employment Relations Board if they so desire. The arbitrator shall decide between the management's and Union's final offer as to which is the most appropriate substitute.

The decision of the arbitrator shall be final and binding on both parties.

ARTICLE XIV
TERMINATION OF AGREEMENT

The terms and conditions of this Agreement shall continue in full force and effect commencing on July 1, 2006, and terminating on June 30, 2008, unless the parties mutually agree in writing to extend any or all of the terms of this Agreement. Upon termination of the Agreement, all obligations under the Agreement are automatically canceled.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized representatives this the 23 day of June, 2006.
